How It Works

SIFTCON

ADVISORY • CYBERSECURITY • FORENSICS

ABOUT US

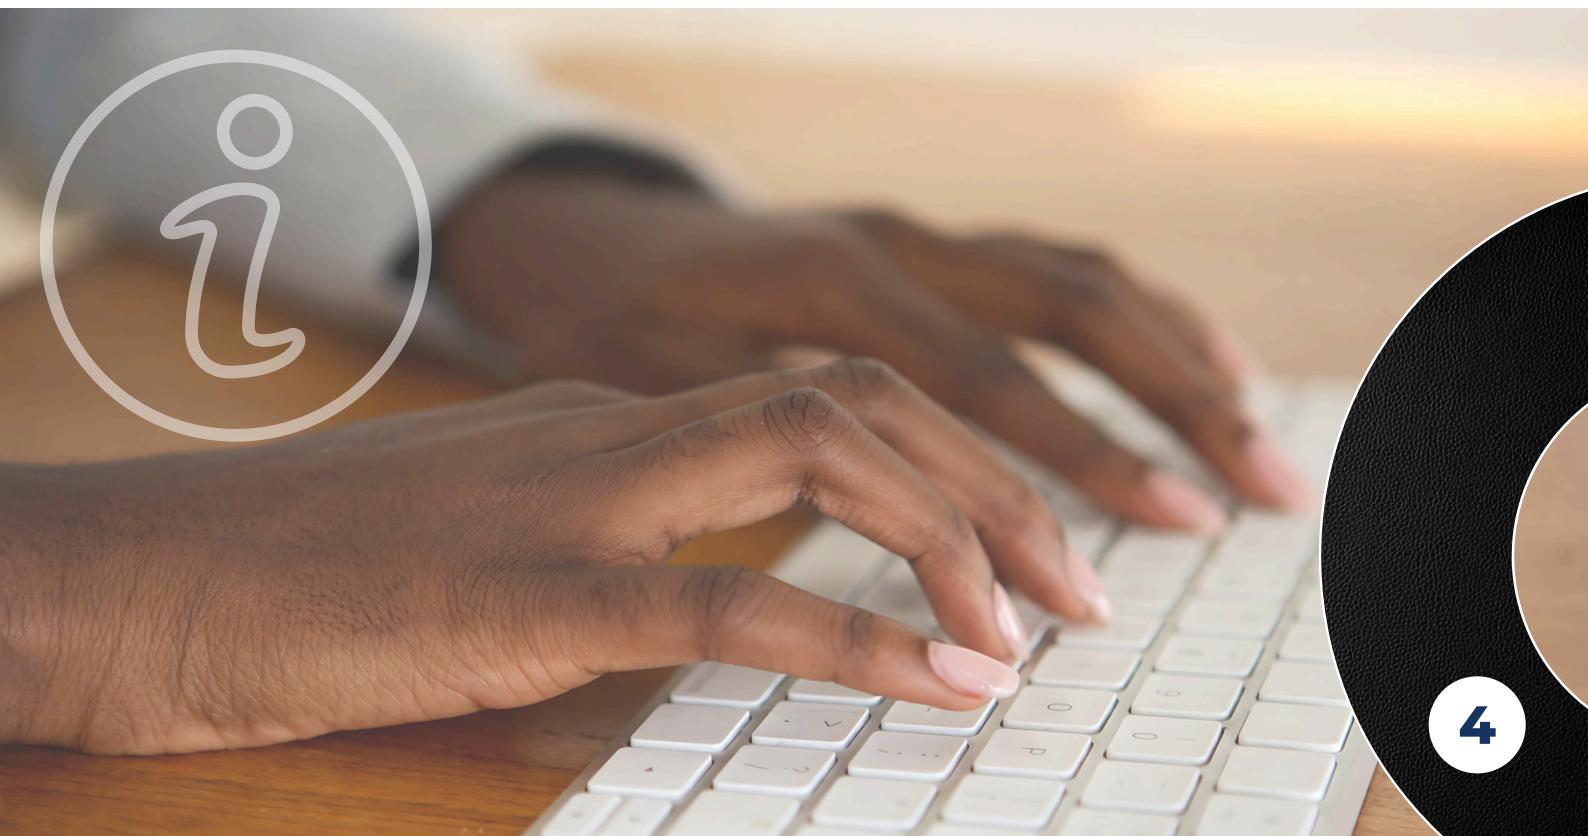

Siftcon, founded in 2019, specializes in auditing, risk advisory, cybersecurity, data analysis, and commercial forensic services. Renowned for its innovative solutions, advanced technology, and seasoned professionals, Siftcon swiftly earned recognition as a trusted service provider and partner. We are committed to safeguarding businesses' interests and keeping them ahead of the curve.

At Siftcon, we are driven by a commitment to customer satisfaction and a relentless pursuit of excellence. We provide businesses with the security, protection, audit, and support necessary to excel in today's intricate digital landscape.

Our name, Siftcon, is inspired by the word "SIFT," which reflects our mission to meticulously examine and discern the essential elements. It signifies our dedication to scrutinizing every aspect to extract value and discern between what is useful and what is not. [1]

OUR CORPORATE PHILOSOPHY

We believe that fostering a culture of integrity, innovation, and collaboration is paramount to our success. By prioritizing excellence, adaptability, and ethical conduct, we strive to deliver exceptional solutions and services that empower our clients and communities. Our commitment to continuous improvement and customer-centricity drives us to exceed expectations and make a positive impact in an ever-evolving digital landscape.

WE ARE VALUED & RESPECTED FOR

HONESTY & INTEGRITY
NON-COMPROMISING QUALITY STANDARDS
100% RELIABLE SERVICES
PERFECT TALENTS

DIRECTOR'S DESK

As the Director of Siftcon, I am honored to lead a team dedicated to safeguarding businesses in this digital age. Our mission at Siftcon is to provide unparalleled cybersecurity solutions, commercial forensics expertise, technical support services, specialist audit and assurance, risk management, and compliance review services. With a focus on innovation, integrity, and client satisfaction, we strive to exceed expectations and empower our clients to thrive in today's dynamic environment. Together, we are committed to protecting your interests and helping you achieve your goals. Thank you for choosing Siftcon as your trusted partner.

HOW WE WORK

We prioritize a client-centric approach, tailoring our services to meet the unique needs of each organization. Through thorough assessments, we gain a deep understanding of our clients' requirements, enabling us to develop customized solutions aligned with their specific goals.

Our team of experts utilizes cutting-edge technology and industry best practices to implement robust cybersecurity measures, conduct forensic investigations, provide technical support, and deliver audit, risk management, and compliance services.

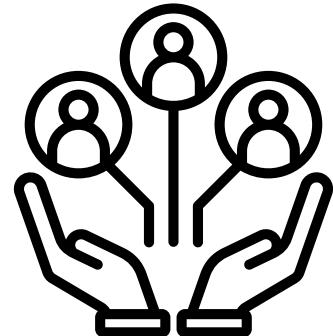

Throughout our engagements, we prioritize communication, transparency, and collaboration, maintaining open dialogue to provide updates, address concerns, and solicit feedback. By fostering a partnership built on trust and integrity, we aim to exceed our clients' expectations and deliver measurable results that drive success and resilience.

- Transfer of Skills
- Workshops and Seminars
- Practical Ethical Hacking Classes
- Customised Coaching

PROJECTS

SIFTCON HAS EFFECTIVELY DELIVERED OVER 25 PROJECTS IN VARIOUS SECTORS, SERVING CLIENTS SUCH AS GOVERNMENT AGENCIES, FINANCIAL INSTITUTIONS, HEALTHCARE ORGANIZATIONS, AND CORPORATE ENTITIES. THE FOLLOWING ARE SOME OF OUR COMPLETED PROJECTS:

Gateway Airports Authority Limited (GAAL)

From June to November 2020, our team conducted a comprehensive digital forensic investigation at Gateway Airports Authority Limited (GAAL). The project aimed to uncover potential security breaches, unauthorized access, and data vulnerabilities within GAAL's digital infrastructure. Through meticulous analysis of electronic devices, data logs, and network activity, we identified critical insights and provided recommendations to enhance GAAL's cybersecurity defenses. Our findings enabled GAAL to strengthen its security to May 2023.

African Regional Intellectual Property Organization (ARIPO)

From November 2022 to May 2023, Siftcon conducted an extensive ICT audit at the African Regional Intellectual Property Organization (ARIPO). The audit encompassed a comprehensive review of ARIPO's information and communication technology systems, processes, and security protocols. Siftcon's assessment provided ARIPO with valuable insights and recommendations to enhance its ICT infrastructure and ensure the integrity and security of its intellectual property assets.

Eastern Cape Provincial Treasury (ECPT)

Between May 2023 and November 2023, Siftcon conducted a thorough data analysis project for the Eastern Cape Provincial Treasury (ECPT). This initiative involved the examination and interpretation of financial and operational data to support strategic decision-making and improve fiscal management within the provincial treasury.

Department of Basic Education (DBE)

From October 2023 to March 2024, Siftcon undertook a due diligence audit project commissioned by the Department of Basic Education (DBE). The objective was to ensure accurate invoice payments by the department to its service providers.

MEET THE TEAM

Siftcon's expert team offers tailored cybersecurity, commercial forensics, technical support, audit, risk management, and compliance services. We prioritize excellence, collaboration, and client satisfaction in every engagement.

Machote Stanly TEAM LEAD / DIRECTOR

Stanly, a seasoned Commercial Forensic Practitioner and Cyber Security Specialist, leads Siftcon Forensic Services with a dedication to client success. He fosters a culture of excellence, investing in his team's growth and ensuring they deliver top-notch solutions to meet clients' strategic objectives.

Mbutse Nolazwi DIRECTOR & QA PARTNER

Nolwazi, an experienced accounting professional, with over 9 years of expertise in financial reporting, budgeting, and analysis. She delivers precise financial insights to clients and senior leadership, excelling in crafting financial statements and identifying opportunities for improvement.

Bhoroma Raymond HEAD OF CONSULTING

Raymond Bhoroma, a Chartered Accountant, has over 12 years of experience and serves as the Head of Consulting at Siftcon. He is skilled in accounting, taxation, and financial reporting, excelling in analyzing data and providing clear financial advice to clients. Additionally, he is known for his effective communication of financial concepts.

Muhumbe Marko CHIEF OPERATIONS OFFICER

Marko Muhumbe is an experienced Associate General Accountant at Siftcon with expertise in financial, auditing, and risk management. He is known for his attention to detail, analytical skills, and identifying areas for improvement. Marko also serves as the Chief Operations Officer.

Sambo Nicolleta BUSINESS DEVELOPMENT

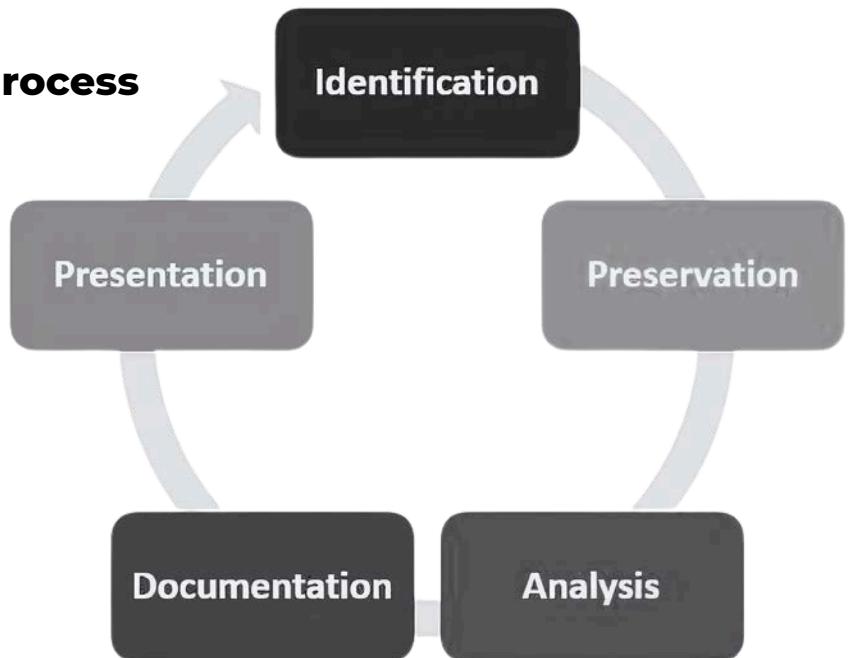

Nicoletta Sambo, Business Development Manager at Siftcon, excels in cultivating client relationships, driving growth initiatives, and expanding the company's presence in cybersecurity and forensics. Her expertise and passion contribute significantly to Siftcon's success in the industry.

HOW IT WORKS?

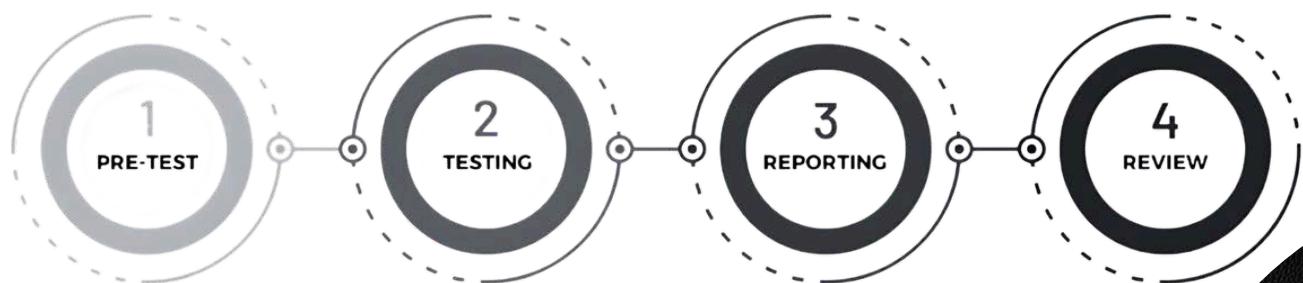

Forensic Investigation Process

The forensic investigation process involves identifying, collecting, preserving, analyzing, interpreting, documenting, reporting, presenting, and following up on evidence to uncover fraud or misconduct. A systematic approach is followed, ensuring thoroughness and adherence to legal standards.

Cybersecurity Assessment Overview

At Siftcon, our Cybersecurity Assessment Process involves a comprehensive evaluation of a client's digital infrastructure, identifying vulnerabilities, and implementing robust security measures. This includes threat identification, risk analysis, security architecture review, penetration testing, and ongoing monitoring to ensure proactive protection against cyber threats.

Delivering excellence, reliability, and client satisfaction, our tailored solutions surpass expectations, ensuring added value and continuous improvement in quality.
